Dedication

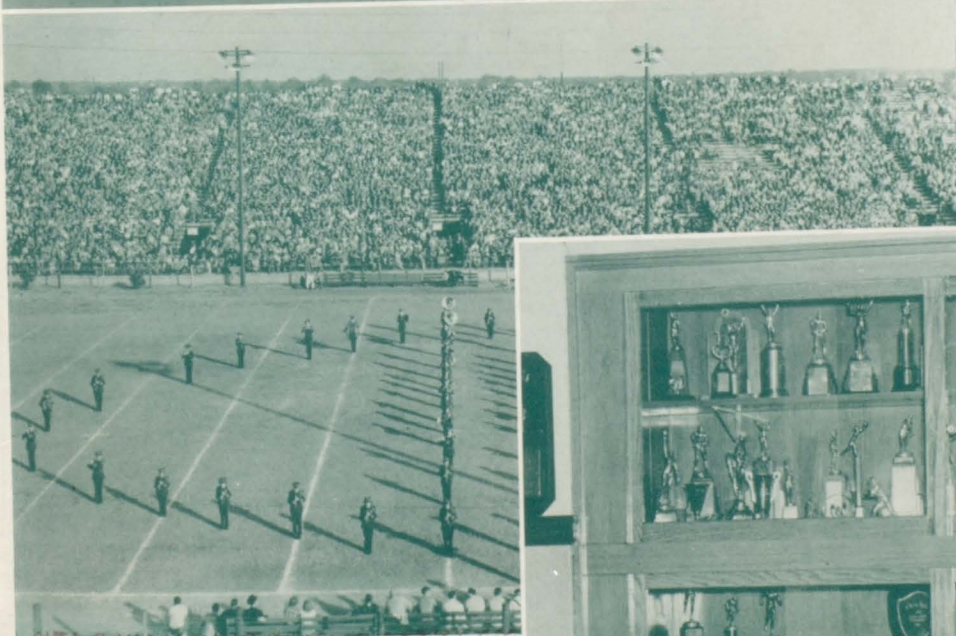

Outstanding in the events of each school year are those established ideals and customs which have developed in Byrd High School during the past twenty-five years.

It is with an awareness of their importance in our school life that we dedicate this 1950 Gusher to the traditions we honor.

*Byrd, we stand to honor thee
Alma Mater true!
Loyal homage we will bring
through the years to you.*

*Loyalty, honesty, with thy friend-
ship bold
Always deep within our hearts
the purple and the gold.*

Principal and Assistant Principal—two excellent reasons why the City of Byrd is rich in traditions.

During his thirty years as Principal, Mr. Koffman has been instrumental in the development of most of our traditions. Since Mr. Jones came to Byrd as Assistant Principal in 1948, he has become an integral part of our school program.

On the following pages we present the members of the faculty and several special departments of our school.

ADMINISTRATION

MR. GROVER C. KOFFMAN
Principal

On October 21, 1949, our Principal was signally honored. In recognition of thirty years as Principal of Shreveport High Schools, the Mayor of the City proclaimed this day Grover C. Koffman Day. Events are pictured on the facing page.

The Day, which was also Homecoming Day, opened with the traditional assembly, which was attended by Byrd graduates of years past. After the assembly a parade was held in downtown Shreveport honoring Mr. Koffman and the five members of the faculty who have served with him the entire thirty years. At the Rotary Club luncheon the original certificate, signed by Mayor Clyde Fant, proclaiming Grover C. Koffman Day, was presented. At 5:30 a banquet for all citizens of Shreveport was held in the Crystal Ballroom of the Washington-Youree Hotel.

The closing event of this memorable day was the Homecoming game, Byrd vs. Bolton, at which time Mr. Koffman crowned the Homecoming Queen. At the half Mr. Jake Hanna, a Byrd graduate, presented to Mr. Koffman a new Mercury, an expression from the citizens of Shreveport of their high regard for him.

Truly this day will be remembered by all as one of the most outstanding events of the school year, honoring a man whom we all love, Grover C. Koffman.

SPECIAL FEATURES IN THE CITY OF BYRD

On this page we present special departments in the City of Byrd. At the upper right is the library, which provides students with facilities for obtaining necessary research information.

On the right is the graphic arts room. Although this is a new department at Byrd, it has provided the school with many types of printed materials.

Extra special are Mrs. Hester Nash and Mrs. Mary Laughlin. Their efficient handling of the endless details in the office makes for smooth operation throughout the school.

Donald Graham, Staff Photographer for the
Gusher and for the High Life, Edris Nelson,
Staff Member, and Bill Ellis of the Art Staff,
are discussing layouts for the following pages.

In this section we present outstanding activities
which contribute to many of our established
programs and events—the Gusher and High
Life Staffs, the Band, the Vocal Department, and
Pelican Boys and Girls State.

The Concert Band of seventy members which forms an integral part of the student life at Byrd has attained national recognition as one of the outstanding bands of the South. It has been highly commended for its musicianship, intonation and keen interpretive sense by Dr. William D. Revelli, Mark Hindsley, A. A. Harding, L. Bruce Jones, Lee Hope, Ralph Rush, and George Wilson, adjudicators who are nationally known for their outstanding contributions in the field of music education.

In festival participation, they won the superior rating at the last Region VII Festival, and were awarded first place in both marching and concert events at the New Orleans Music Festival. This award included an invitation to represent this section of the country at the Chicagoland Music Festival. Also, this spring the Byrd Band attended the Highlander Music Festival in Dallas, where it was heard by William D. Revelli, adjudicator.

A CAPPELLA CHOIR

The 1949-50 A Cappella Choir is one of the largest in the history of Byrd. Some of the varied activities in which the choir has participated were assembly programs, the Christmas program at the Municipal Auditorium, a two-hour Christmas program for the Byrd student body, the spring operetta, Shreds and Patches, and their own Spring Concert. Student song leaders and accompanists were chosen from the Choir for each assembly of the year. The Choir has furnished upon request, many small ensembles and soloists for entertainment at civic luncheon clubs.

GIRLS' GLEE CLUB

With too many members for one Girls Glee Club, Byrd has enjoyed two Girls Glee Clubs throughout 1949-50. Performing both jointly and separately, the Freshman Glee Club and Upper Class Glee Club have furnished music for assembly programs and civic clubs.

In December, the Glee Clubs participated with music groups from other schools in a music festival of Christmas music at the Municipal Auditorium. Members were picked from both Glee Clubs to form the operetta chorus.

Physical

Our Physical Education Department is designed to train students of Byrd High School in good sportsmanship, group participation, and teamwork. The enjoyment of the game is taught along with the fundamentals and techniques, thus providing an excellent means of using leisure hours wisely. The program not only develops physical fitness through engaging in games but also emphasizes health habits by the study of personal hygiene, social hygiene, and first aid.

Square dancing is becoming increasingly popular.

Tennis is the activity which seems to have more carry-over value among Byrd girls.

Education

Badminton is very popular among the Senior girls.

Of all the sports participated in by boys, basketball seems to be most generally enjoyed.

During the fall of the year touch football is in the limelight.

Homecoming is always an outstanding event of the school year and is one of our most treasured traditions. To introduce the Feature Section we use a picture of the parade celebrating Homecoming and Grover C. Koffman Day. We present here the Favorites selected by the Class of 1950, the Homecoming Queen and her court, and the Football Sweetheart.

Each year the Gusher staff affords the Senior Class the privilege of electing favorites. The Homecoming Queen and her court are chosen by vote of the entire student body, and the Football Sweetheart is selected by the football team.

Football Sweetheart, Barbara Cooper, escorted on the field by Willard Rachal.

Reigning as Homecoming Queen on October 21 was Frances Digiovanni. Queen Digiovanni and her court were elected by the student body, while Barbara Cooper, Football Sweetheart, was selected by members of the football team. Former graduates were honored at a morning assembly followed by a parade through downtown Shreveport. The coronation of the Queen and presentation of her court took place that night at the game between Byrd and Bolton. Queen Frances was escorted on the field by Frank Green. Other members of the court and their escorts were Barbara Strong, Maid of Honor, and Jimmy Sneed; Barbara Cooper, and Willard Rachal; Anne Oden and Dan Barr; Jo Ann Hagedorn and Ray Kightlinger; Patricia Keene and Ronald Wideman; Martha Bruce and Bobby Spear.

The Senior Cheerleaders introduce this section.

Julia Cherry, Barbara Strong, Morris Sneed, and Ernest Turner have helped to keep school spirit high, have aroused enthusiasm in athletic events, and have generally stimulated interest in sports.

The election of cheerleaders by popular vote of the student body is an exciting event in each school year to which we look forward with great anticipation.

In this section we present scores, write-ups, and action shots of football, basketball, baseball, track, golf, and tennis.

THE COACHING STAFF

Under the superior leadership, along with determination and hard work, Coach Jack C. Rowan and his able assistants, Coach J. D. Cox and Coach John H. Laughlin, have produced in four short years a Championship football team. Much credit is due these three fine men, and we take

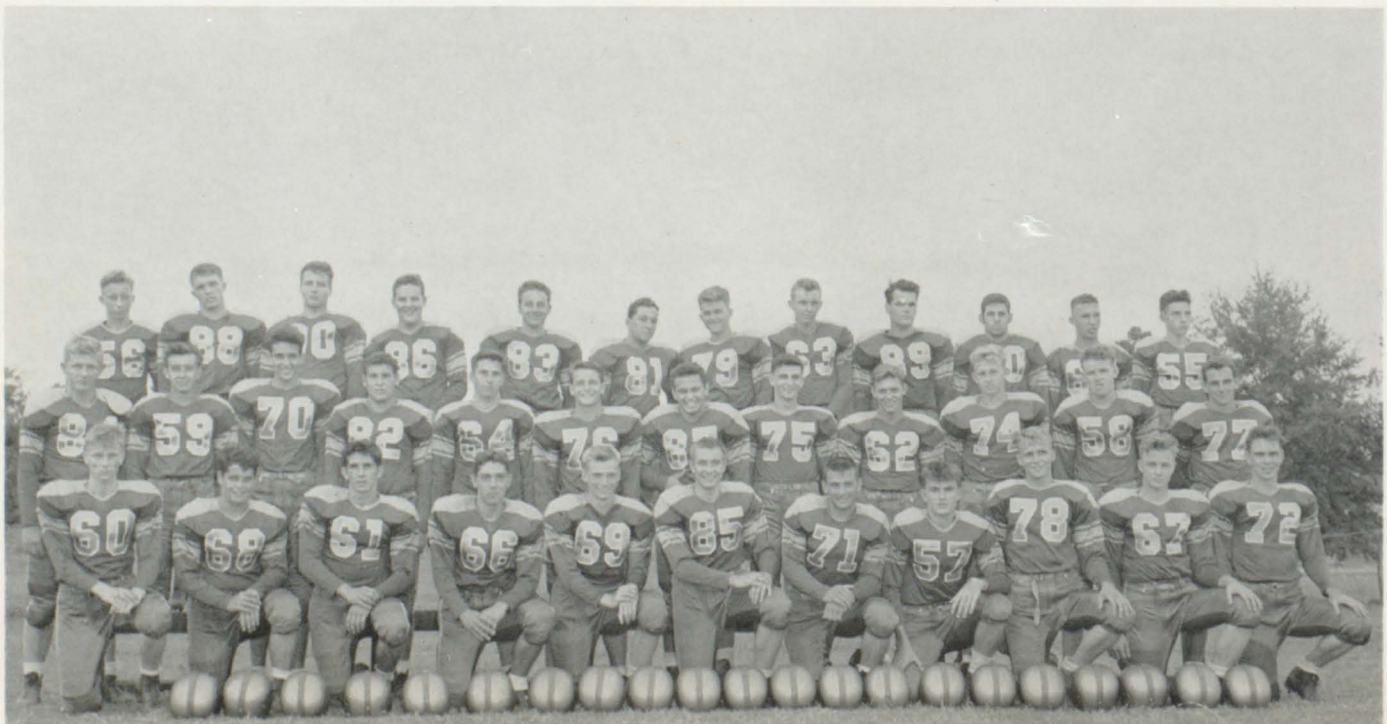

our hats off in tribute to them, who have made the athletic program at Byrd one of which we all can be justly proud.

THE SQUAD

First Row—Coyle Stephenson, Jerry Loe, Ray Kightlinger, Jerry Dykeman, Edgar Galloway, Ralph Ezelle, Dan Barr, Bobby Hargrove, Charles Smith, Capers Kinard, Bobby Ellis.

Second Row—John Sheffield, Charles Worley, Frank Green, Shelley Beychock, Alan Landridge, John Trigg, Spevens Rosenblath, Ronald Wideman, Willard Rachal, Bobby Spear, Dale Sandifer, Bennett Johnston.

Third Row—Bobby Peloubet, Dickie Murray, Harold Hawkins, Bryan Bush, Tommy Gray, Jimmy Cosse, Jimmy Sneed, Scotty Douglas, Jimmy Anderson, M. K. Woolbert, Danny Huddleston, Raymond McFaddin.

YELLOW JACKETS

BYRD 0—SULPHUR 6

Facing one of the strongest AA teams in South Louisiana, the Jackets battled the Sulphur Tors on even grounds for three periods, each playing outstanding defensive ball. The Jackets mustered two long drives deep into the Tors' territory, but these drives, sparked by Rachal, proved futile.

Late in the third quarter the out-weighted Jackets tired, and Sulphur marched 68 yards with Hebert going over from 4 yards out for the score. The try for extra point was unsuccessful. Kightlinger, Murray, and Woolbert were the defensive stand-outs for the Byrdmen, while Hebert, Miller, and Show played well for the Tors.

Down goes a Jacket

BYRD 20—NATCHITOCHES 0

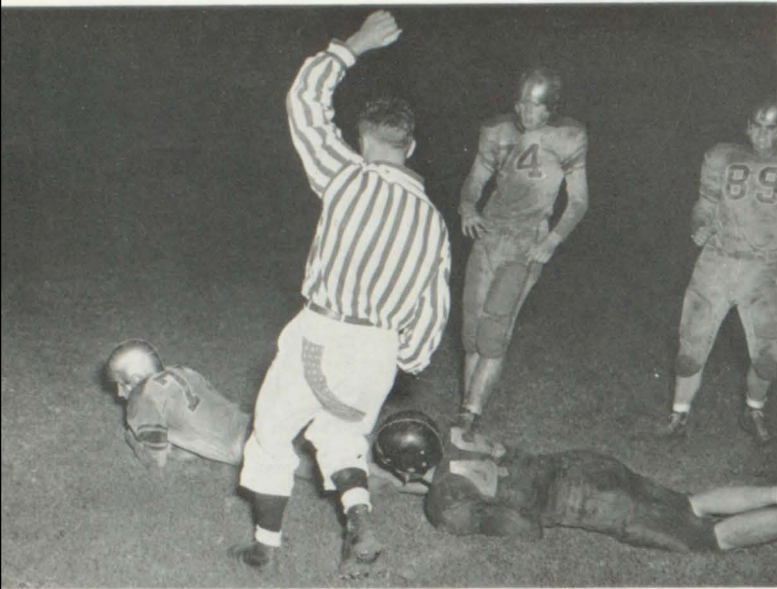

The Yellow Jackets gained their first victory by downing the Natchitoches Red Devils, 20 to 0. Making a slow start, the Jackets did not score until late in the initial quarter when Willard Rachal raced 32 yards around end for six points. Worley's try for conversion was nullified. The second Jacket tally came on Bobby Ellis' plunge from one yard out. Worley's kick was good, making the score 13 to 0. Dan Barr's driving run through the center of the Red Devils accounted for the final Byrd score. Again Worley converted. Halfback Dwain Murphy was a standout for Natchitoches, while Murray and Woolbert spearheaded the Jacket defense.

BYRD 32—BASTROP 6

A fast-charging Yellow Jacket team romped over the Bastrop Rams to the tune of 32 to 6 in the third game of the season. The entire Jacket forward wall showed great defensive strength by holding the Rams to only 5 first downs. Byrd's first score was made by Rachal, who raced 60 yards around end for the tally. Johnston followed with a 50 yard sprint on a quick-opening play for the second score. Ellis' one-yard plunge to pay dirt and Barr's run through the entire Bastrop team from 20 yards out widened Byrd's margin by 12 points. On the following kick-off, Leon Johnston of the Rams raced 80 yards down the sideline for the only Bastrop score. The final Jacket tally was on a 20-yard pass from Dykeman to Sandifer. A safety accounted for the other two Jacket points.

BYRD 34—HOMER 0

An inspired Jacket eleven rolled over the highly-touted Homer Pelicans to the tune of 34-0. All-State Al Doggett was held in check by the powerful Jacket line, sparked by Murray, Trigg, Woolbert, and Green. Leading 14-0 at half-time on a 68-yard sprint by Bennett Johnston and a pass from Dykeman to Murray that covered 45 yards, the Jackets roared back in the last half to score three more touchdowns. A pass from Galloway to Green ended the Jacket scoring. Worley was good on 4 out of 5 conversions. The entire Yellow Jacket team was outstanding. They showed real power and class as they took their third straight victory.

Six points

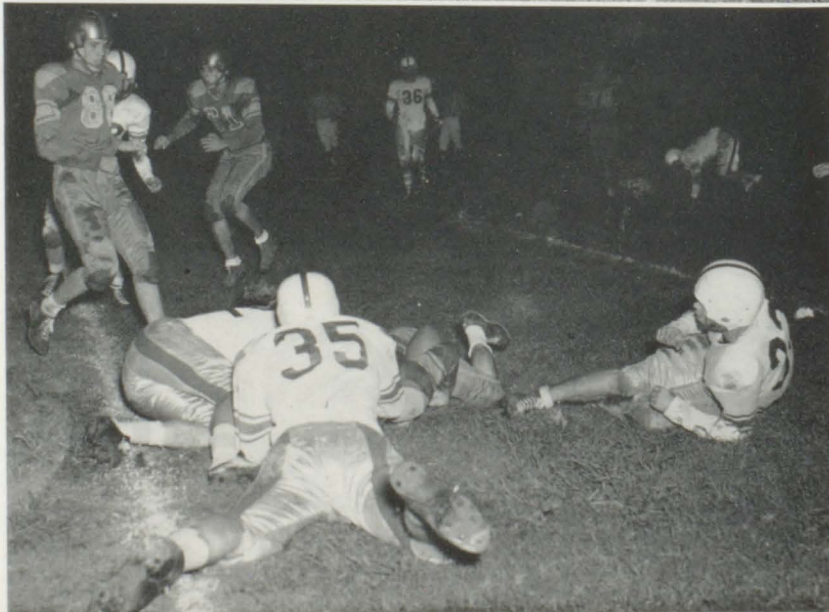

BYRD 34—BOSSIER 0

The Yellow Jackets, gaining momentum as the season progressed, ran roughshod over the Bossier Bearcats. The mighty Jacket offense rolled up 34 points, while their brick-walled defense held the Bearcats scoreless. Dan Barr started things rolling by ripping through the Bossier line for 42 yards. He was finally stopped on the 3-yard stripe. From there Danny Huddleston plunged over. Minutes later Willard Rachal raced 80 yards down the side line for the second Byrd score. Edgar Galloway's accurate passing accounted for two other Jacket tallies on passes to Green and Spear for 10 and 24 yards respectively. The last Yellow Jacket score was made on a 12-yard burst through center of the Bearcats line by Dan Barr. Worley was good on 4 out of 5 conversions.

BYRD 21—ISTROUMA 0

Handicapped by a drizzling rain, the Jackets were held in check until late in the second period when Edgar Galloway's 48-yard pass connected with Left End Dickie Murray for a touchdown. This broke the ice and flashy halfback, Willard Rachal raced 72 yards for another Byrd tally. The final Jacket marker came on a 19-yard pass to Rachal from Galloway. Each of Worley's conversion tries was good.

Quarterback Pete McCulley of Istrouma was a definite threat throughout the game with his many accurate passes. He found his mark many times and gained 120 yards through the air, but was kept from scoring by the stiff Byrd spearheaded by Kightlinger, Gray, and Sneed.

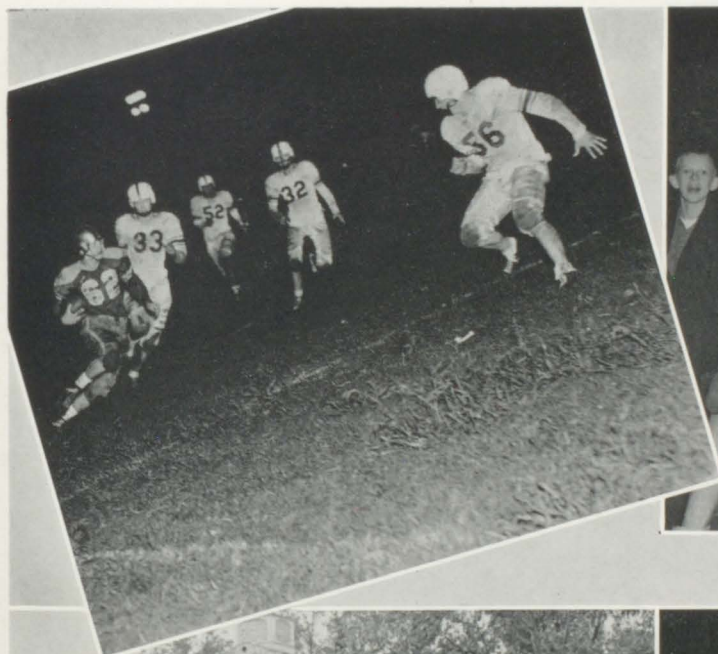

Who's got the ball?

BYRD 47—BOLTON 14

Completing one of the biggest days in Byrd history, Grover C. Koffman Day, the Jacket Grid Machine overpowered the Bolton Bears to the tune of 47 to 14. Willard Rachal and Dan Barr paced the Byrd offense with two touchdowns each. Rachal's came on runs of 62 and 91 yards, while Barr's were 34 and 28 yards, respectively. Other Jacket scores came on a 11-yard end-around play by Frank Green, a 4-yard plunge by Bennett Johnston, and a 40-yard pass from Galloway to Murray. This completed the Jackets scoring. Trigg and Woolbert were outstanding as defensive men for the Byrdmen. Fullback I. E. Schroll played well for the Bears, but the flashy Jackets could not be stopped. Worley kicked 5 out of 7 extra points.

Will he make it?

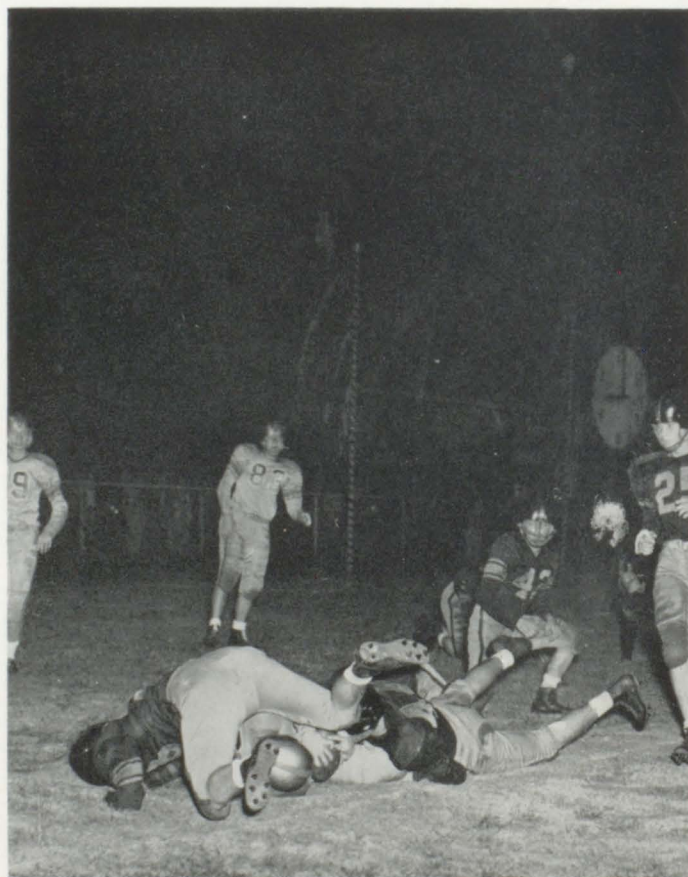

BYRD 27—HAYNESVILLE 7

Byrd Yellow Jackets came from a 7-6 half-time deficit to defeat the Golden Tornados, their first AA opponents in a thrilling game at Haynesville. Lead by Woolbert in the line and Rachal in the backfield, Byrd was a different outfit the second half. The first touchdown of the game came when Gray, of Byrd, recovered a Tornado fumble and in the next play Rachal sprinted 16 yards for the score. Grady Davis of Haynesville scored their only tally of the night on a five-yard buck. Byrd took the lead on a 25-yard heave by Galloway to Rachal, who went over standing up. Late in the game M. K. Woolbert intercepted a screen pass and rambled 55 yards for the third Jacket score. Byrd's last touchdown was a long pass from Huddleston to Green, who went over all by himself. The game ended a few plays later with Byrd winning their first North Louisiana AA tilt.

Barr Scores

BYRD 41—OUACHITA 13

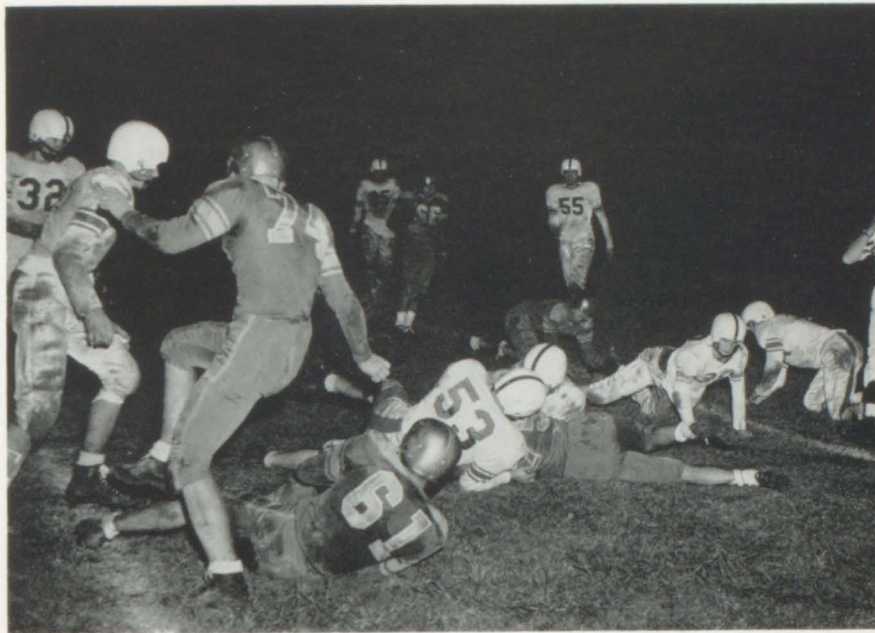

After entering AA play, Byrd romped over Ouachita in a high-scoring game at the Fair Grounds stadium. Rachal scored twice on runs of 52 and 74 yards to lead the Yellow Jackets to their eighth straight victory. The Lions, led by Boatright and Milstead, put up a good fight, but were no match for the mighty Byrdmen. Ray Kightlinger was outstanding on defense, intercepting a Ouachita pass to end an early threat and batting down several others. Another pair of troublesome Jackets were Trigg and Sneed, who kept the net yards gained by Ouachita to a minimum. Byrd's third tally was a 48-yard pass to Murray, who made a beautiful catch and run. Dan Barr and Bennett Johnston scored the Jackets' fourth and fifth markers on 24 and 66-yard jaunts. Besides kicking five conversions, Charles Worley dashed 45 yards for Byrd's final touchdown of the game. Byrd, having defeated two North Louisiana AA opponents, had only to beat Fair Park for the crown.

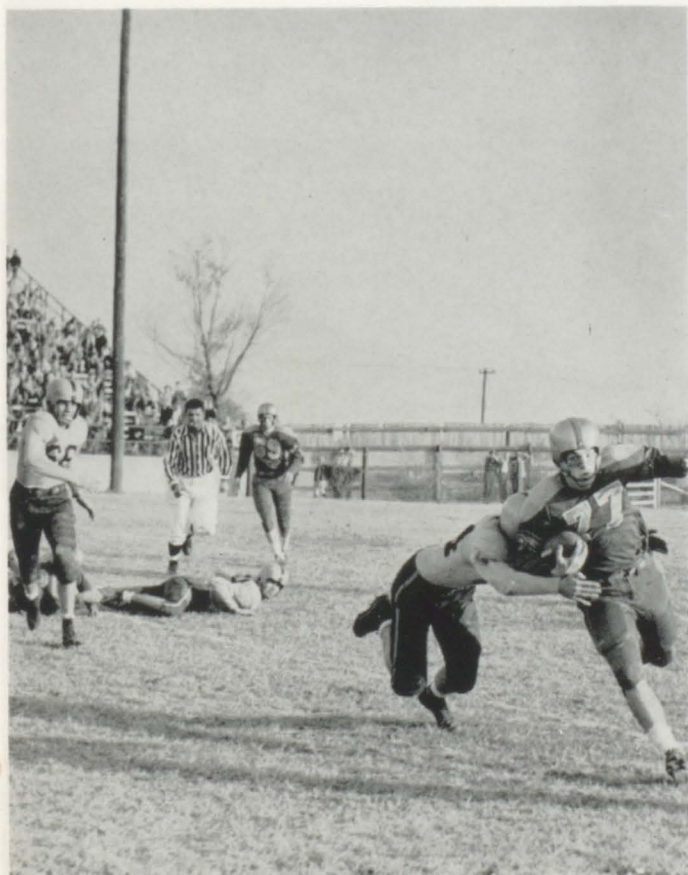

Buried

BYRD 26—RUSTON 0

The Yellow Jackets of Byrd pushed across two first period touchdowns and then added two more in the last half to defeat the Ruston Bearcats at Ruston. Johnston scored Byrd's first touchdown after just four minutes of play on a 79-yard end run. After a sustaining drive of 71 yards, Danny Huddleston crashed over from the eight for the second score. As the second half began, Galloway fired a pass to Rachal on the nine with the latter scoring on the next play. Early in the first quarter, the Jacket signal caller, Galloway, heaved a 48-yard pass to Dan Barr, who went over for Byrd's final score. The whole Jacket line was stellar on defense, holding the Bearcats to only 129 yards gained rushing.

Who's got the ball?

Oops

BYRD 14—FAIR PARK 0

In the annual holiday tilt at the Fair Grounds the Byrd Yellow Jackets downed the Fair Park Indians to become North Louisiana AA champions. The champions got off to a slow start but finally got rolling as Rachal set up his own touchdown on a 60-yard sprint and then went the last eight yards on the next play. The Indians put up a terrific fight, but it was soon evident that they were no match for Byrd. They were led by Hampton and Wineman, who repeatedly made substantial gains. Ronald Wideman was a standout for Byrd, as he set up the Jackets' last tally on an intercepted pass with Johnston scoring. The Jacket forward wall was the deciding factor in the game, as they held the Indians in check.

The SULPHUR Playoff

Going places!

BYRD 6—SULPHUR 0

In the semi-final game of 1949 State Playoffs, the Jackets bested the powerful Sulphur Tornadoes 6 to 0. It was Edgar Galloway that speiled finis to Sulphur's hopes for a State title. Galloway's 30-yard game-breaking gallop came in the third period after the Yellow Jackets had driven from the Sulphur 45 on a series of runs by Barr and Huddleston. Dan Barr contributed several sparkling runs, the best of which was a 60-yard gain in the third quarter. Sulphur managed to get one drive underway in the fourth period which was led by Billy Cryer, but failed to materialize. The Jacket line was tremendous, being led by Murray, Woolbert, Rosenblath, Kightlinger, Sneed, Trigg, and Spear. No Tor back really found room to run with these linemen on the field. Sulphur's Calvin Billings was a standout on defense as he made some twenty tackles single-handed. It was Byrd all the way as they were catapulted into the State Finals against Holy Cross of New Orleans.

Leave him alone!

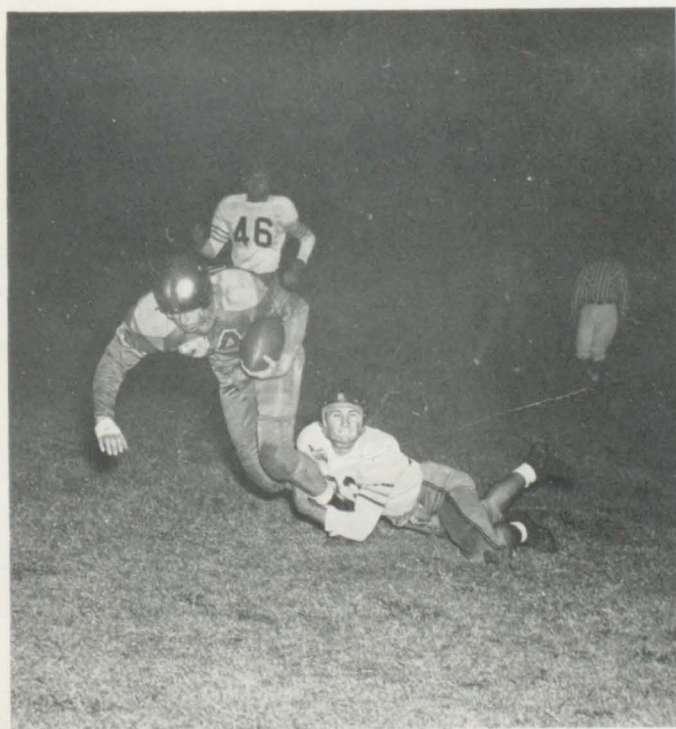

And Then HOLY CROSS!

BYRD 34—HOLY CROSS 13

For the first time during the season Byrd entered the game as the underdog. The powerful Holy Cross Tigers were supposed to crush the Jackets; however, the Yellow Jackets proved they were champions as they demolished the Tigers by an overwhelming score of 34 to 13. The Jackets wasted no time in becoming State Champions. The first time Byrd got the ball, Dan Barr streaked down the sidelines twice to set up a score by Rachal, who went over from the 28-yard line. The Tigers seemed to be stunned by the blocking thrown at them by the Jackets, while Byrd was en route to another score. Galloway hit wingman Spear for 17 yards and then Galloway crashed over from the one on a quarterback sneak. In the second quarter the Tigers opened up an aerial attack led by Clarence Zimmerman which ended in a 30-yard reverse play by Joe Heap and a score. With two minutes left in the first half "Dashing" Dan Barr knifed his way through for the third Jacket tally from the five. The kickoff was muffed by the Tigers and recovered by Sneed. Galloway then bulletted a 20-yard toss to Barr, who scored as the half ended. Both teams scored late in the fourth quarter as Joe Heap of Holy Cross scored from the three and then Spevens Rosenblath, Byrd's All-State Center, intercepted one of Zimmerman's heaves for the final marker of the game. As were the rest of the Jacket tilts, this was thoroughly a team victory, with every man on the squad participating. This was a glorious end for a glorious season as the Byrd High Yellow Jackets emerged Louisiana State AA Football Champions of 1949.

RED CROSS COUNCIL

PLEDGE

We believe in service for others, in health of mind and body to fit us for better service, and in world-wide friendship. For this reason, we are joining the American Junior Red Cross. We will help to make its work successful in our school and community, and will work together with Juniors everywhere in our own and other lands.

The American Junior Red Cross is the junior membership of the American Red Cross and is the American Red Cross in the schools—public, private, and parochial; elementary and secondary.

As part of the organized, humanitarian program of the Red Cross, it offers its members an opportunity to serve others both at home and abroad, in peace and war, through adaptable channels that are correlated with school activities. Thus, it forms a link between the schools and the broadening circle of local, national, and international society.

The Byrd Junior Red Cross operates the First Aid Room; renders assistance to veterans' hospitals, to local charitable institutions; helps in packing TB seals; makes, each year, a teachers' directory; packs and ships overseas a large number of gift boxes.

Members of the Red Cross Council are—Seated—Holly Mitchell, speaker; Jane Rawlins, secretary; Barbara Robinette, chairman of hospitality committee; Sue Parker, chairman of art committee. Standing—Dagmar Oksenbolt, typist; James Snell, Student Council representative; Elinor Otts, second vice-president; Marilyn Petzing, chairman of production committee; Dawn Sherburne, president; Charles Worley, treasurer; Jane Harrison, chairman of scrapbook committee; George Hardy, first vice-president; Josephine Ray, publicity chairman.

The C. E. Byrd Future Teachers Club was organized in February, 1947, and now has thirty-nine members who are interested in teaching. The club is affiliated with the Future Teachers of America and is sponsored by Miss Lurline Alison. The purposes of the club are (1) to cultivate the qualities essential in a good teacher (2) to learn about the opportunities in teaching (3) to foster the development of student leadership and (4) to render service in the school, home and community.

Highlights in this year's activities are the many hours given by FTA members in substituting for teachers in the classroom during study hall periods, the assembly program presented by the club in observance of American Education Week, the visit to Centenary College as the guests of Chi Sigma Nu, the Christmas Party where a box was packed with food and toys for a needy family, and the place of leadership held by FTA members on the Hi-Life Staff, Gusher Staff, Student Council, R. For the past eleven years, the club has been Caddo Parish champion and is highly represented in all fields of 4-H work. Its members have won awards in Poultry, Swine, Beef, Dairy, Crops, Clothing, Food Preservation, and Wildlife. In a relatively new contest, Tractor Maintenance, Donald Bison placed second in the state, seemingly following the example of his brother who won first

the year before. In the Better Methods Contest, Byrd copped the two firsts in the parish and won in the district. Topping all other entries, our president, Carl Muse, showed the Grand Champion Beef Steer at the Spring Stock Show at L.S.U. Another "first" for the Club was the trip which the stock delegates, under the leadership of Mr. Smith and a junior leader, took to Fort Worth to attend the Fat Stock Show there. This was the first time any group from a Louisiana Club has attended the show.

Observing plants in the greenhouse are Donald Bison, Tommy Chavis, Sammy Rains, Richard Couvillion, Teddy Porter, Gene Woodruff, R. J. Campbell and Johnny Kent.

HOMEMAKERS

The Future Homemakers of America is the national organization of pupils studying homemaking in junior and senior high schools of the United States and territories. As the integral part of the program of home economics of the schools of America it offers opportunity for the further development of pupil initiative in planning and carrying out activities related to homemaking. The Future Homemakers of America bring together state groups interested in working toward better home and family living, provides opportunities to share in solving problems important to home life, and sponsors group projects, local, state and national in scope, and increases opportunities for the development of leadership and intelligent participation so much needed in a democratic society.

Future Homemakers of America is an incorporated, non-profit youth organization. It came into being through the cooperative efforts of youth enrolled in homemaking in secondary schools. This national organization provides for the development of social qualities and the promotion of better home life for members and their families.

Patsy Rowland and Melba Ratcliff represented the Byrd chapter of F. H. A. at the Southern regional meeting in Memphis in June, 1949.

The goals for the 1949-50 program of work were set up by the national committee. The local club has planned a program that will develop each of the eight purposes.

Sponsors of the Byrd chapter of the F. H. A. are Miss Margaret Purvis and Miss Ruth Bachelor.

FORE 'N' AFT

One year of operation has proved the sailing ability of many Byrd students. Since last September Fore 'N Aft has continued to create an interesting activity well adapted to water lovers. Whether one prefers the small Moth boats, Snipes, Y-Flyers or the large Thistles and Lightnings, the same knowledge of sailing is required for each, varying slightly with the size. Through the cooperation of the Shreveport Yacht Club and its facilities, Fore 'N Aft has had many successful sails and races. Many interesting programs were given throughout the year when weather was unfit for sailing and usually the next meeting found the entire club putting these instructions into use. A portion of the members find relaxation lounging on spacious Lightning decks, while still others crave the hair-raising thrills found so abundantly in Moths. Several of the crew of Fore 'N Aft have now raised themselves to the position of Skipper on obtaining their own yachts. When asked about his preference as to types of boats, one member answered, "I love 'em all!"

First Row—Dolores Tomlin, Elaine Jackson, Rickey DeLee, Greg Hussey, Billy Riddick, Jane Barnette, Alton Hancock.

Second Row—Linda Taylor, Billy Benard, Betty McClellan, Buzzy Buckelew.

The Byrd Tennis Club experienced one of its best years since it was organized. The Club began its 1949-1950 year by re-writing the Constitution to include more specific provision for entertainment and encouragement of tennis. Motion picture films of proper court play, famous tennis stars in action, and scenes of well known tournaments were shown. Several experienced tennis players attended meetings and spoke on various phases of the game. Competition was encouraged between members by a tournament, and those who had not learned to play were given instruction by more advanced members. In this way all members of the club were given an opportunity for equal participation.

Holding racquets are Lou Ann Hayes, Frances Jonett. First Row—George Duerson, Rai Fergus, Denny Bartel, David Cox, Catherine McCracken, Charles Scott, Charles Alben.

Second Row—Alice Lee Young, Tom Ratcliff, Billy Taylor, Jane Rawlins, Jimmy Bruce, Jim Ellwood, Cherry Sue Jennings.

CAMERA CLUB

OFFICERS

JOHN INGOUF *Vice-President*
 BERNARD FOX *President*
 SUE PARKER *Treasurer*

Members of the Camera Club, under the direction of Mr. Leonard Conover, have made a number of field trips for the purpose of increasing knowledge and interest in photography. One of these trips included a visit to a commercial photo processing plant. On another occasion the Club met in the home of the President, Bernard Fox, and observed his well equipped dark-room. One of the main projects of the year is the taking of home room pictures, these pictures to be sold to students for thirty-five cents.

Camera Club members are very much interested in the operation of the projector. This machine is used to show many interesting films to students. These members are—Betty Jean Thompson, Bette Berry, Jay Barton, Letty Liverman, Edward Smith, and Joe Sansone.

Here we present the members of each class—the individuals who preserve our customs and traditions through the years.

The secretary of each class is, we feel, deserving of special recognition because they keep the records of each project undertaken by the group.

So to introduce this section we have selected Fred Whitmeyer, Secretary of the Freshman Class; Jimmy Reeder, Secretary of the Junior Class; Martha McGuffin, Secretary of the Sophomore Class; and Charles Worley, Secretary of the Senior Class.

The Advertising Section is a vital part of any yearbook. Since the ads are solicited by staff members we have pictured Wilma Sandel, Janet Westbrook, and Elinor Otts confirming a contract with a loyal advertiser.

We extend to our advertisers our sincere appreciation, for without them publication of this book would not be possible.

"Yes, Bill, I'd love to go"

The value of the telephone isn't just the calls you make. Sometimes the calls you receive are even more important. You'd miss a lot if the telephone wasn't there.

Just on calls you make, the telephone's a big bargain in convenience, security, success and good times. When you add the calls you receive, it's an even bigger value.
